4. To see if the Town will raise and appropriate the sum of $13765.00 to defray the expense of buying a new tanker and pumper fire truck. $12,000 of this to be raised by serial note for period of three years.

APPROVED by Budget Committee

5. To see if the Town will raise and appropriate the sum of $2000.00 for an addition to the Sanbornville Fire Station to house new fire truck.

APPROVED by Budget Committee

6. To see if the Town will vote to raise and appropriate the sum of two thousand dollars ($2000.00) to rebuild one section of Walsh Rd. so called, starting from Milton Line, with the intent of having this as a continued project each year until road has been completed.

(By Petition of 12 voters)
NOT APPROVED by Budget Committee

7. To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1000.00) to rebuild one section of Brackett Road with the intent of having this as a projected project continuing construction each year until Brackett Road has been completed.

(By Petition of 21 voters) (Without recommendation)

8. To see if the Town will vote to set up a Wakefield Municipal Court, and raise and appropriate the sum of $500 to defray the cost of forms, Warrants and salary of the Judge and any other costs connected thereto.

(By Petition of 17 voters)
NOT APPROVED by Budget Committee

9. To see if the Town will vote to raise and appropriate the necessary money to implement the following:

The place of voting be moved from the banquet

hall to some other room on the ground floor of the Town Hall.

It is our understanding that the Town Meeting vote specified the ground floor, but did not designate the particular room; that, therefore the Board of Selectmen is free to choose the room which best fits in with the current needs of the community.

Our reason for this petition is:

1. That the routine operation of the valuable Kindergarten shall not be interrupted for several days, at least twice a year, by the change-over of the banquet hall into a voting place.

2. That the banquet hall shall remain available for suppers held by community groups; and, especially, for the suppers which have been a great convenience to voters on voting days.

We believe that such a change would make the Town Hall more useful to the community.
(By Petition of 109 voters)

10. To see if the Town will vote to lease the Old Town Hall at Wakefield Corner to the Parish Helpers for a period of fifteen years at the rate of $1.00 per year.

(By Petition of 10 voters)

11. **Article by request**

To see if the Town will vote to confirm and ratify conveyances of real estate made by the Selectmen of the Town of Wakefield, said ratification to be retroactive to the date of the original conveyance, namely March 1, 1940.

12. To see if the Town will authorize the Selectmen to sell a parcel of land located on the East side of

road on old Route 16 adjacent to Lester Rand property. This parcel of land being about 50 feet square. Mr. Rand, the interested party, has offered the sum of $25.00.

13. To see if the Town of Wakefield will raise the sum of eight hundred dollars ($800.00), to defray the cost of a radio base station to be located in the Town Hall and for the use of all departments connected with said Town of Wakefield. This base station to be a part of a Carroll County wide radio network.

(By Petition of 13 voters)

NOT APPROVED by Budget Committee

14. To see if the Town will vote to adopt the following amendments to the existing Zoning Enforcement Ordinance and to add one new article, all for the more effective operation of this Committee and for the interest and protection of the general public.

Article 1. No change.

Article 2. Change to read: Without a Building Permit no remodeling or repairing shall be done where the total value of such work, including materials and labor, exceeds $300.

Article 3. Change to read: No building shall be erected unless it will present a reasonable appearance, and in keeping with the neighborhood. Construction or repair shall be completed within one year of date of Permit unless prevented for good and sufficient cause, in which case an extension of time may be granted.

Article 4. No change.

Article 5. Change to read: The type and construc-

tion of all septic tanks and drainage fields, or **outside toilets, shall be in compliance with State** of New Hampshire sanitary regulations and must be approved by the Town Health Officer.

Articles 6 to 9 inclusive. No change.

Article 10. Change to read: Fees for Building Permits shall be: $1.00 for work not exceeding $1,000. **$2.00 for work over $1,000 and not exceeding $2,500. $3.00 for work over 2,500 and not exceeding 5,000. $5.00 for work exceeding $5,000.** The estimated costs shall include the value of both material and labor.

Article 11. Change to read: All monies received for Building Permits shall be forwarded to the Town Treasurer for deposit in the Town Treasury. Such monies may be allocated to defray **the expenses of the Commission upon approval** of the Selectmen.

Article 12. (to be added.) The Planning and Zoning Commission shall have the right to deny a Building Permit for any repair or construction deemed detrimental to the public interest. In case of such denial, appeal may be made before a special committee consisting of three disinterested persons resident in the Town, one chosen by the applicant, the second chosen by the Board of Selectmen, and the third chosen by the other two. Such a committee shall give **the appeal good and sufficient consideration and** their decision shall be final.

(By Petition of 16 voters)

15. To see if the Town will raise and appropriate the sum of $4,500 for drainage in the village

of Sanbornville. This is to be a 30" culvert starting from the rear of the Library going across the road to the rear of the Post Office. This is necessary to eliminate a serious flood condition in the basement of the Library and other property. Also this will help eliminate the sewage problem.

APPROVED by Budget Committee

16. To see if the Town will vote to appropriate a sum not exceeding $32,500.00 for the purpose of making improvements to the following Class V roads within the Town:

Acton Ridge Road, so-called, from Route 153 up to and including the Acton, Maine border

such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of chapter 241, New Hampshire Revised Statutes annotated, 1955, as amended by Laws of 1957, chapter 273:3 and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Wakefield, N. H.

(without recommendations)

17. To see if the Town will accept a section of road as a Class V road starting at the foot of North Wakefield Hill on Route 16. This section of road will be approximately .4 of a mile over land owned by W. M. Lord Co. This section of Road will have to be properly graded and have proper drainage to be accepted by the Selectmen.

Article 18. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 21st day of February, in the year of our Lord nineteen hundred and sixty three.

WAKEFIELD POLICE DEPARTMENT

Report for Year 1962

Herewith a report of the Wakefield police department for the year 1962, and comparisons for the year 1961. This department is quite well aware of the fact that each department head considers his particular department as being of the utmost importance, and finds it difficult to understand why his budget, when presented to the budget committee, is sometimes questioned by that body and quite often the amount is considered in excess of the needs of that particular department, and thereby lowered, sometimes to a dangerous degree, in the minds of the heads of these particular departments. This is our democratic way of government and will never be questioned by the head of this department.

In the early part of January of last year, this department head appeared before the budget committee and submitted the police department budget for the year 1962. Included in the requests was a sum of money for the erection of a room in the basement of the town hall to be used as a headquarters for the police department and the office of civil defense. The total amount $3300.00. This total amount was lowered to $3000.00 on the recommendation of the budget committee and so voted at town meeting. The total amount allowed for the year 1962 was overexpended to a slight degree, the reasons being numerous. Foremost is the fact that the Wakefield area was without a Trooper from the department of state police for many weeks during the busy part of the summer. The motor vehicle portion of this report will attest to this fact, by the added number of accidents investigated by this department, by the many

messages delivered to various parts of the town and the added item of man hours of patrol, which is of importance. Added to this the fact that two weekends were almost wholly taken up as far as the police department is concerned, because of a change of town dump schedules. It must be explained that this change was brought about at the insistence of the New Hampshire division of forestry. In fact the dump at East Wakefield was closed and the problem of people coming to the dump with refuse, finding it closed and then dumping along the highway and over stone walls became a major one. Many man hours were spent on this matter over a two week period. There were added activities among the churches and this was taken care of by this department. This is an activity that has never been questioned by the townspeople and I sincerely trust that this will continue. Because of these many activities which drained the budget, no new equipment or supplies were purchased, with the exception of several highway signs which were made by myself and then painted by the late Harold Wyman. There is a substantial savings in this manner of sign procurement and I hope to receive added monies for more signs for this year. There is a great need for replacing many signs in the town.

On January 4th, 1963, a meeting was held at the court house in Ossipee to discuss the problems of the towns within Carroll County and the County itself, in regards to radio communications. This meeting was sponsored by the Carroll County Commissioners, John N. Leighton, presiding at the meeting, with the assistance of Sheriff Floyd. The plan in brief would tie in all town fire departments, police departments, departments of civil defense within each town and the sheriff's department. Also could be included ambulance services and any type of emergency services

which might wish to be included. The original cost of the backbone of the installation would be in the region of $10,000.00 and this cost would be borne by Carroll County. Then each town and department would bear the cost of their particular needs. For example, a base station in Wakefield would cost from $600.00 to $800.00 and the mobile (vehicle) units would cost from $450.00 to $600.00. This would tie in the entire County of Carroll in regards to radio communication. It would be a mutual aid system and of the utmost benefit to all concerned. A standing committee has been appointed to explore further, the feasibility of such a plan and our Representative to the General Court, Arthur H. Fox, is a member of that committee. To insure the inclusion of the Town of Wakefield in this step forward in the interests of home rule, this department will include the amount of $800.00 as its request for a base station to be located in the new room in the basement of the town hall in Sanbornville. This would form the nucleus for any units within the town which might be added at a later date. It is the hope of this department that the two local fire departments will include at least one mobile unit in each of their budgets.

This department wishes to thank all those who have given aid and assistance in the past year, both by word and deed.

Respectfully submitted,
ARNOLD H. WENTWORTH
Chief

GAFNEY LIBRARY INC. REPORT FOR 1962

Again it is my pleasure as Librarian of the Gafney Library to make known to you the report of its progress for the year 1962.

Circulation increased from 8,396 to 9,875, broken down as follows; adult fiction 3038; non fiction 2152; juvenile 4,685. August was again our banner month in which well over 1,000 books were circulated. Book purchases increased from 169 to 267, and Bookmobile deliveries from 1045 to 1863. There were more book donors this year, which resulted in an additional 167 books. We now have 4,795 books on our shelves.

Likewise life memberships increased from 5 to 19, and annual memberships from 64 to 167.

At our annual meeting in Sept. the following Officers and Directors were elected: Pres. Mr. Alfred Humphries; Vice Pres. Miss Mary Garvin; Sec. Mr. Walter Mohr; Treas., Mr. Alden Young. Mrs. Roland S. Hughes was re-elected Director.

The appearance of the Library has improved also. The walls and ceilings were repainted and the floors completely done over. The fireplace accessories refurbished and the front entrance repainted. We still have the unsolved problem of water in the basement, thus rendering that part of the library completely useless.

During the summer months the library was opened an extra day for story hour under the able supervision of Mrs. Luther MacBrien assisted by Miss Eleanor Eastman. The Book sale netted the Library

$182. This, as usual, is to be used for the purchase of children's books.

The regular bi-monthly delivery of books to the County Farm has continued, as well as those to the East Wakefield School. To this we have added delivery to Huggins Hospital.

A publicity campaign resulted in our securing 3,028 newspaper lines of free publicity. Two editions of the Gafney Gazette were circulated among the members. Through these endeavors we feel that a favorable image of our library has been created.

At a recent meeting we adopted a 22 point "Program and Objectives for 1963," which, when carried out, will enable us to make an even more progressive report at the end of the year.

Miss Eva Sanborn has been assisting in the library, cataloguing and typing cards for the filing cabinet.

To Miss Lee Wilson we give credit for adding a touch of color and beauty with her many charming arrangements.

The new library hours are—Tues.-Thurs.-and Sat., 2-5 and 7-8.

This is your library—we urge you to come in, browse around, and avail yourselves of its many facilities.

WAKEFIELD PUBLIC LIBRARY

Report for 1962

The Wakefield Public Library opens to the public on Wednesday between the hours of 2:00 and 5:00 P. M. Many of our newer residents are not aware that Wakefield Corner has an attractive building with well-stocked shelves of old and current books.

The following figures are for the calendar year of 1962. Total circulation numbers 969, broken down as follows: fiction 575; non-fiction 394. Magazine circulation has fallen below the usual figure.

Books and magazines have been donated by the following friends: Mr. Roger Bradbury; Mr. and Mrs. Herbert Corson; Miss Ivy Cranshaw; Mrs. Euan Davis; Gafney Library (duplicates); Dr. Louise Paul Heck; Mrs. Herbert Johnson; Mrs. Frank T. Lewis; Mrs. Guy Neily; Mrs. Sam Paul; Mr. and Mrs. Carlton Spencer; Mrs. Willis Tibbetts; Miss Esther Tripp; Mrs. Joseph Vittum; and Mrs. Guy Weeks. We are grateful for the interest of these friends.

The greatest accomplishment of the past year has been the renovation of the floor. Appreciation is due Mr. and Mrs. Carlton Spencer for time and effort expended on this project. The addition of felt-base runners has made the care of the floor much easier.

Since the New Year came in we have met with the loss of two trustees: Miss Elizabeth Spencer and Mrs. Guy Neily. Both had served long and faithfully, Mrs. Neily having served as treasurer in addition to other duties. Both will be missed. Dr. Louise Paul Heck was appointed to the board of trustees at the

annual meeting in July. Her interest in the Library has been lifelong and she has contributed many volumes to our shelves.

Your librarian attended the Library Publicity Workshop held last Fall in Durham under auspices of the N. H. State Library. This was very interesting and helpful. More recently a book exhibit held in Exeter by the State Library was a valuable aid in selecting new books.

We have secured many books from our State Library, some of which have been in specialized fields. The Bookmobile is of invaluable assistance in supplying both interesting and instructive material for all ages.

The co-operation of State Library staff, of Gafney Library personnel, and of our patrons is acknowledged with gratitude.

UNION FREE LIBRARY

Report for 1962

The Library opens every Wednesday afternoon at 2:30 and closes at 4:30 and a cordial welcome is extended to one and all to visit our library.

We have 84 registered readers.

There are four magazines and one newspaper in the library for our readers and they are available to take out.

We bought 35 new books last year which includes some of the ones on the church reading list. The bookmobile left us 850 books during the year and they are certainly a tremendous help to the library.

During the year there were appropriate decorations in the library for the following holidays: Easter, Flag Day, Fourth of July, Christmas and Thanksgiving. These were furnished by the librarian and a kind neighbor, Mildred Bodwell. Thank you so much, Mildred! Also the librarian furnished a treat of candy for the children for Hallowe'en.

There were two special displays of books during the year, one of Religious books for lent and Easter, and one of "Do It Yourself" books. These were attractive and received a lot of favorable comments.

The circulation for the year 1962 was 2,684 volumes.

We had a number of books given to us during the year; they were given by the following: the San-

bornville Library, Frances Scott, Blanche Barbour, Blanche Wentworth, Viola Hill and Mildred Bodwell. Thank you all very much for your thoughtfulness! We also received from London, England, a copy of Bernard Shaw's book, "Adrocles and the Lion." This is printed in the Shaw alphabet and is very interesting.

Dennie Downs, the bus driver, as usual very kindly stops at the library with the children each week so that they may get their books. I'm sure the children appreciate this very much and it always seems so nice to have the children visit the library. We also have the children from the two high schools coming to the library too.

REPORT OF PARKS AND PLAYGROUND COMMISSION

All equipment and sites were painted and repaired before opening. Labor was a big bill, but with public assistance we got by. In the late fall all moveable equipment was stored for the winter under cover at Sanbornville in the basement of the town hall. The baseball equipment was taken care of by Kent Williams, who did a wonderful job as supervisor of the ball field.

At Union in School house basement.

At East Lake in building in park.

Many things that should have been done had to be bypassed till next year, due to lack of funds.

I believe that the last of our funds were used to plow and put up lights for skating rink in Union. The V.F.W. will take over for the rest of the winter.

The Flag pole and installation were donated by Lovell Union Grange. "Erection done by Dick Swinerton and Paul Drown." Care of Veterans Square donated by Lovell Union Grange.

Material for the shelter at Garvin Playground donated by Donald Duchano.

Many merchants and citizens donated material for miscellaneous small items. No money donations were received.

New Flag for Vets Square (flown over the Capitol at Washington) donated by Senator Cotton.

Two supervisors, 1 at Union playground, 1 at Garvin playground working a total of 144 hours each. (Eight weeks 3 hours 6 days each week $160.00 total or 80.00 each).

The Garvin Playground was a complete wreck. Cost of new equipment and repairs were prohibitive. "NO MONEY." Material was purchased and building and repairs were done by Gene Tangley at a cost of about .75 cents an hour for labor.

Playgrounds opened May 30 in good condition. Attendance was good considering that it had been laying neglected for many years.

Mary Downs fund for upkeep of Garvin Playground	$250.00
Town Appropriation	600.00
Total of	$850.00

Total of $850.00 was not sufficient.

PLANNING BOARD AND ZONING COMMISSION

Annual Report — 1962

The present Commissioners assumed office on May 3, 1962. They have held a total of ten business meetings. During the calendar year 68 permits were issued for construction and repair work, the total estimated value of which is in excess of $150,000. Included among these projects are one new store building, four new all-year dwellings, and 22 new seasonal cottages. The fees collected for these permits have been paid into the Town Treasury.

In looking to the future, the Commission recommends some minor changes in the existing Zoning Ordinance, and has the hope of being helpful in establishing sound community planning.

TRA ACCELERATED PROGRAM REPORT

State of New Hampshire

Concord, N. H.

Feb. 8, 1963

Mr. Clarence O. Martin
Chairman of Roads Committee
Box 166
Sanbornville, N. H.

Dear Mr. Martin:

Thanks for advising me of your progress on the Town Road Aid Accelerated Program. We are happy to provide this additional information.

Towns have consistantly voted accelerated programs, since legislative permission was granted in 1953, in numbers as follows: 4 in 1953, 12 in 1954, 18 in 1955, 7 in 1956, 10 in 1957, 12 in 1958, 11 in 1959, 11 in 1960, and 8 in 1961 and 1962.

The general reasons for such action have been to complete major improvements for people to use while amortizing the cost. Specific reasons include elimination of high maintenance cost areas such as mud sections, steep hills, inadequate drainage and annual break up of surfaced sections.

A direct savings of maintenance costs will in many cases offset financing costs of the bank loan. It is harder to put a price tag on the value of a safer, smoother and more convenient section of highway yet every person using it will realize a saving in transportation costs and there will be a savings in snow plowing and resurfacing costs. In completing con-

struction in one season instead of several there will be savings in equipment moving, gravel pit operations and probably labor, equipment and material costs which tend to increase each year.

On the supposition that your committee is interested in an accelerated program of $32,500.00, the TRA allotment this year, amounting to $6,490.62, would also be available to provide a grand total of $38,990.62 for the program.

To continue with the mechanics of the program, the town would authorize the selectmen to borrow $32,500.00 who would in turn borrow the funds and arrange a five year schedule of payments. The town would continue to raise its suggested Town Road Aid Share and hold it for loan retirement, the state would pay to the town in July the TRA allotment and the town would also raise and hold for payment the required charges. The total of the three amounts of money would then be paid to the bank. There will be differences between amounts received and the amounts required for payment in spite of our best guesses therefore some slight flexibility should be planned for these payments.

State TRA allotments vary in accordance with total state Class IV and V mileage and with local mileage also. If TRA payments to Wakefield are more than at present the extra amount should be held in a special account for later payments on the loan. If payments are less at anytime then the town must make up the difference until the final amount is paid. The state agrees to pay its share of the total in any case, and the differences in yearly payment will be very slight.

A summary of your payment schedule has been worked out:

Year	State to Town	Credited as Town Payment	Int. 3%	Total Town Pay	Total State & Town
1964	$5653.00	$847.00	$975.00	$1822.00	$6500.00
1965	5653.00	847.00	780.00	1627.00	6500.00
1966	5653.00	847.00	585.00	1432.00	6500.00
1967	5653.00	847.00	390.00	1237.00	6500.00
1968	5653.00	847.00	195.00	1042.00	6500.00
	28265.00	4235.00	2925.00	7160.00	32500.00

In the above table I have used an interest of 3%. Your Selectmen may be able to negotiate a lesser amount. The big problem will be in explaining the benefits derived from the new highway to offset the total interest costs.

As I remember the Acton Ridge Road it is narrow, rough, has frost heaves and there is a dangerous point at the railroad crossing. I do not recall areas where heavy annual costs would be required for such work as washouts, culverts repairs etc. Your savings would accumulate from less time needed for snow plowing, ditching, brush clearance, and surface patching; in little or no asphalt sealing during the first 5 years; and in less construction cost per mile for the larger project.

The same factors, with the exception of the railroad crossing, will apply to Witchtrot road in the event work is planned in that area. Replacing the plank culvert with a 60 inch culvert would reduce maintenance costs on this road.

I hope this will give your people the information needed for adequate consideration of the proposal.

If you have other questions please let me know.

Sincerely yours,
(Signed) Floyd

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Wakefield qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 19th day of March 1963, at 10 o'clock in the Forenoon, to act upon the following subjects: Polls not to close before 7 P. M.

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

You are hereby notified to meet at Town Hall in said Wakefield on Tuesday 19th day of March next at 7:30 o'clock in the evening to act on the following subjects:

8. To see if the district will vote to accept the budget as submitted by the Budget Committee and raise and appropriate for the support of schools, for the salaries of school district officials and agents, and

for the payments of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to abide by Article 197:18 according to N. H. Revised Statutes—which states that school board member take office when qualified and chosen.

10. To see if the district will vote to accept the Non-partisan ballot.

11. To see if the district will vote to appropriate the sum of $1500 to provide transportation to Spaulding High School.

12. To see if the District will vote to have the Moderator appoint a committee of five to meet with the School Boards of Milton and Wakefield for the purpose of exploring the feasibility of sending the students of the Seventh and/or Eighth grades, or any portion thereof, to Milton for school purposes. If said Committee finds that such action would be desirable, then they are to report back to a Special School District Meeting to be called by the Committee chairman with their recommendations to be acted upon. Said meeting to be ninety days hence.

(By Petition of 18 Voters)

13. To see if the District will instruct the School Board of Wakefield to meet with the School Board of Brookfield and arrange to accept the pupils of Brook-

field elementary schools in the Sanbornville schools of Wakefield on a tuition basis. This authority to take effect with the September, 1964 school year.

(By Petition of 37 Voters)

14. To approve acceptance of Federal Funds for school aid if necessary.

15. To transact any other business that may legally come before said meeting.

Given under our hands at said Wakefield, N. H. this 2nd day of March 1963.

REPORT OF THE

SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Wakefield:

I submit my second report as Superintendent of Schools of Union No. 36. The following list indicates the administrative activities for the period from January 1, 1962 to December 31, 1962:

School Visits	396
Regular School Board Meetings	88
Special School Board Meetings	51
Speaking Engagements	12
P. T. A. Meetings	11
Conventions & Conferences	9
Teachers' Meetings	14
Cooperative Study Meetings	67

On November 18, 1962, Dr. Charles F. Ritch, Jr., Commissioner of Education, visited all the schools in Union 36 with Superintendent Thomas.

During the school year 1961-62 the teachers in the Wakefield Schools were: E. Wakefield, Mrs. Edith Horne, all grades; Paul School, Mrs. Maxine Chadbourne, grades 1-2; Sanbornville Primary, Mrs. Frances Eastman, grades 3-4; Miss Mary Boyd, grade 5-6; Sanbornville Grammar School, Mrs. Ella McKenna, grade 7; Mr. Delwin Libby, grade 8; Union School, Mrs. Violet Hobbs, grades 1-4 and Mr. Kenneth Beaupre, grades 5-8.

At the opening of the school year in September 1962, all teachers returned to their respective positions. Mrs. Dagny Blouin was added to the teaching staff as Music Supervisor.

Never before has education received as much public attention and publicity as it has in recent years. Newspapers, magazines, television, radio—all instruments of mass communication have probably devoted more space and time to education in a single year than they have for the past fifteen years put together. This is good! It shows that people are interested in what the schools are doing and that they want to assist in helping the schools do an even better job.

When school administrators are questioned about matters of importance to them, the improvement of instruction usually is given considerable attention and weight. The primary function of superintendents of schools is conceived to be the creation of conditions that are conducive to effective teaching so that maximum pupil learning will result.

The curriculum is, or should be, in a constant state of change. One only has to look around in this scientific age to recognize the changes taking place. There has been a growing concern about the development of programs in the public schools, which would meet the needs of all youth. Some changes have taken place in our schools with the cooperation of our principals and teachers in developing plans of programs for Reading and Mathematics with results which, at present, appear to be very excellent. Following a two-day Math workshop in September 1962, 80% of the teachers of Union 36 participated in an extension course under the auspices of the University of New Hampshire. This training has enabled our teachers to teach the new mathematic concepts which is being taught in our schools now.

Our school system has its problems the same as any other business. However, they are not insolvable.

With confidence and a forth-right approach to the solution of these problems we can continue to have an outstanding educational program, one that will be a credit to our young people as well as to our community.

Dr. James B. Conant makes this comment, "It is impossible to evaluate an educational system apart from the society which it both reflects and serves. Much of the argument over education today is coming from people who are not really interested in facing problems as they exist."

Herein lies our responsibility—to know our problems—to solve them to the best of our abilities.

During the past year the school districts of Freedom, Madison and Tamworth solved their secondary school problems by joining our sister Union No. 9 in Conway by signing a twenty-year contract. The school districts of Brookfield, Effingham, Ossipee and Wakefield have been in a Regional 1 through 12 school study with our sister Union 49 comprising the school districts of Alton, New Durham, Tuftonboro and Wolfeboro which would solve their school problems. The Middleton school district continues to tuition all their students to Farmington.

Also, much work was done during the summer of 1962 to improve our own schools. Madison created a new classroom, a complete new heating system was installed and another member was added to the teaching staff due to a large enrollment in grades 1-3. Ossipee created a new classroom, health room, library and principal's office. Ossipee also added a new member to the teaching staff due to the large enrollment in the first grade. Effingham, Freedom, Tamworth and Wakefield had the usual summer repairs and cleaning of their buildings.

The Parent-Teacher Associations have been most helpful and cooperative, as have other civic and social organizations. Many thanks go to the Whittier Lions Club for their generous contributions to all our schools.

I wish to extend to the School Boards my sincere appreciation for their fine cooperation, their encouragement, and sincere devotion to their task of formulating and carrying through their policy-making responsibilities with foresight and conviction in what is good for the school children, school personnel, and citizens of their communities.

I also want to commend all the school personnel for their devotion to education and the assistance they have given me.

Respectfully submitted,
ALFRED W. THOMAS
Superintendent of Schools
